STUDENT NAME _____ Grade _____

Field Trips

During the school year, students will be taking field trips by bus, walking, or other authorized transportation. In order for your child to participate in a school sponsored field trip, he/she must have a signed permission slip on file in the office. One permission slip will cover all field trips for the year.

_____ has my permission to participate in bus and walking field trips for this school year.

Directory Information

Directory Information is information contained in an education record of a student that generally would not be considered harmful or an invasion of privacy if disclosed. The school district designates the following items as directory information for students in grades 9-12: student's name, parent's name, date and place of birth, grade level, diplomas, bus assignments, enrollment status (e.g., full-time or part-time), participation in school-based activities and sports, weight and height of members of athletic teams, dates of attendance, honors and awards received, artwork or coursework displayed by the district, most recent previous school attended, and photographs, video tapes, digital images and recorded sound unless such photographs, videotapes, digital images and recorded sound be considered harmful or an invasion of privacy.

In high school, the information provided is mainly for yearbooks, programs, newspapers, and display of work.

If you do not want this type of information about your child released, please send a note to that effect to the high school principal.
